

## ADVANTAGE SERIES CLUTCHES

- 50,000-mile lube internal for linehaul applications
- Industry's best warranty: 2-year/unlimited (aftermarket)
- New patent-pending release bearing provides increased lubrication and improved strength to extend the life of the clutch
- Improve steel-backed bushings resist wear for increased service life
- Premium damper reduces the drivetrain torsionals
- Proprietary facing material to provide longer disc facing life

### EASY-PEDAL ADVANTAGE (MANUAL ADJUST)

- Kwik-Adjust and proven Powerthread technology simplifies clutch adjustment
- Adjusting requires approximately half the movement of standard adjusting rings
- Interchangeable with all current twin plate models
- Positive separator pin assures equal plate separation, smoother engagement and cooler operation of the clutch
- Improve steel-backed bushings resist wear for increased service life
- Premium damper reduces the drivetrain torsionals
- Proprietary facing material to provide longer disc facing life

### SOLO ADVANTAGE (SELF-ADJUSTING)

- Solo technology keeps the clutch in constant adjustment by maintaining bearing release position
- Features an easy-to-see wear indicator
- A full-round contamination baffle protects against debris
- Stainless steel cam spring delivers increased durability and long life
- Exclusive Vibration Control Technology Plus dampers significantly reduce severe vibration and quiet neutral gear idle rattle
- Eliminates 13 manual adjustments for every truck, on average

## REMAN TRANSMISSIONS

You have many options for rebuilt transmissions, but only Eaton's Reman Transmission gives you the quality and content as a genuine, new Eaton transmission. Other advantages include:

- Industry's best warranty\* – 2 years for linehaul and vocational applications
- 100 percent genuine Eaton content
- Expertly remanufactured using Eaton technology
- Dyno performance tested to meet Eaton standards

\* 3-year standard warranty (linehaul only) available with additional purchase of an Advantage Series clutch and use of Roadranger-approved synthetic lube

# RUN LONGER.

## Powertrain Precious Metals Kits

Introducing **Powertrain Precious Metals Kits**, the latest addition to Caterpillar's line of genuine on-highway truck overhaul solutions.

Caterpillar is proud to offer a full line-up of Eaton genuine aftermarket products through the Cat® Dealer Network. Few aftermarket brands can offer the combination of durability and support that Eaton products can offer. Now, you can package a Cat Precious Metals Engine Overhaul Kit with an Eaton clutch and Eaton Fuller Reman Transmission. Additionally, built-in warranty protection, along with Extended Service Coverage options for four years, provides added value at any combination level.

This is a brief description of Extended Service Coverage. The contract will govern.
